## **History**

Smoken Joes was founded in 1996 to provide customers with great quality food, service and atmosphere at affordable prices. Offering a vast array of generous meals, we cater for all tastes and appetites. We pride ourselves in providing you with the best value, high quality meals, while our friendly staff are trained to make your visit a great one you'll not soon forget.

## **Our Future**

Smoken Joes' is embarking on a slightly new direction to provide a fresh new dining experience for our customers. While retaining the majority of our generous, value meals for you, we have introduced a new steak selection where prime quality pasture fed yearling beef can be sampled at incredible prices. Through our affiliation with The Steakhouse Group, our steaks are basted with Steakmate sauce during cooking, to bring out the unbelievable flavour of the meat. Finishing sauces are also specially formulated to complement the fine quality beef.

Your premium steak will be cooked to your liking and served on warm skilletts with a generous serve of steak chips or a baked potato. Your choice of red wine jus, mushroom or pepper sauce will be served on the side to compliment your meal.

We are committed to providing you with the finest quality to make your dining experience at Smoken Joes' truly memorable.

We have also added some premium red wines to complement the fine meat you'll enjoy. Please feel free to consult your wait-staff on this month's selection.

**NOTE:** Due to the premium quality of our steaks, unfortunately, we are unable to include these in any of our meal offers.
